

Ice Hockey Arenas 2011

IIHF Conference and Exhibition

Tampere Exhibition and Sports Centre

23 and 24 March 2011

In association with

Exhibition and Conference

IIHF International Ice Arena Exhibition and Congress

The International Ice Hockey Federation IIHF and the Finnish Ice Hockey Association are jointly organising an international congress on ice hockey arenas to be held on 23–24 March 2011 in Tampere, Finland. The event will bring together a wide range of ice arena experts from over ten countries and will showcase the latest products and services in the field. The congress will feature expert speakers, evening events and a visit to the Sportec 2011 exhibition. IIHF and the Finnish Ice Hockey Association welcome you to Tampere!

Venue

Tampere Exhibition and Sports Centre TESC

The Tampere Exhibition and Sports Centre is a versatile venue with a total of 35,000 sqm of exhibition space available for event organisers, companies, organisations and associations to organise events of different types and sizes and with an extensive range of conference facilities for hundreds of people. The Tampere Exhibition and Sports Centre is at your service as your partner for successful events.
